Update Stats For Players

Back

Enter the relevant stats above we need to know the starters, players on the bench at the start and goals scored and cards received. The captain, own goal concede, penalty and player of the match are optional.

Once this is completed press the update button and you will get the Stats table at the bottom which means Fulltime has saved the information. A 2nd double check is to look at your match on Fulltime from the outside and for the U12 – U16 you will see all the stats. The U8-U11 we are not allowed to show the stats to the outside world but they are look at by the league so do need to be completed.

The sportsmanship mark is used to decide who the winner of the sportsmanship award is for each age group. The winner of each age group is invited to attend the Cup finals weekend to collect their trophy and medals. If you do not enter enough marks you will be excluded from winning the trophy.
