First Aid Policy

First aid procedure

The nominated individuals are:

- First aiders
- Coaches and volunteers who hold a current an FA First aid course certificate

All confirmed nominees are appropriately qualified first-aiders, holding current first-aid certificates. Therefore, one of the first-aiders listed above must be contacted in the event of an incident occurring, to administer any first aid required. It is important that all issues where a first-aiders has been involved are recorded in the necessary incident logbook(s) which accompany the first-aid box(es).

Whenever learners are present, to attend for a component of a course/programme, their tutor/assessor is responsible for making them aware of whom their nominated First-aiders are and where they can be found (they are required to be on site at the time of a course/programme taking place).

All tutors have a medical kit with them as part of the course resources and a first aid kit is also available at each venue – location varies across different venues. It is the responsibility of the nominated FA Licensed Tutor to familiarise themselves with the venue first aid kit location at the start of the course.

Nominated first aiders are also provided with appropriate first-aid equipment
